Responding Providers

| Service | Provider | Questions Submitted | Bids Submitted |
|----------------------|------------------------|---|-----------------------------------|
| Internal Connections | Aerohive | Are you open to receiving Erate proposals for this filling from all wireless vendors? | No bid submitted as of 1/15/2014 |
| Internal Connections | CTS | Inquired about missing parts list is posted. | No bid submitted as of 1/15/2014 |
| Internal Connections | Ednetics | None | No bid submitted as of 1/15/2014. |
| Internal Connections | Integra | I noticed on your Form 470 that you mention a walk through is required for prebid. Please reply and let me know when you have a moment to discuss a good date in which we could visit. | No bid submitted as of 1/15/2014 |
| Internal Connections | Nuvodia | I have been reviewing your RFP for Internal connections and under section 1.2 we are directed to view the existing parts list at http://business.gsd200.org however there does not appear to be a link to those parts on that sight (see below). Can you please direct me to the correct site or share them via email? We are planning to come down for your Pre-Planning meeting on Friday and wondering if you have an agenda that you can share? We just want to be sure we have the right personnel on hand and enough time blocked out. | No bid submitted as of 1/15/2014 |
| Internal Connections | TechPower IT Solutions | I'm curious to find out if the district is planning to conduct a walkthrough of the appropriate school, after the bid meeting? If so, may I schedule time to conduct a walkthrough after the mandatory bid meeting? If not, curious when an appropriate time for a walkthrough would be? | No bid submitted as of 1/15/2014 |
