

GSD 200 Report Card

Grandview School District

2015-16

Focused On Great Instruction

District's Mission and Theory of Action

We believe that all students can graduate with the ability to be successful in college, work and life. We will achieve this by continually improving instructional practices in every classroom, in every building in the District.

collaboratively, by sharing our classrooms on a regular basis for learning opportunities, giving and receiving feedback, coaching, and participating in quality professional adult learning communities so we develop our own skills as instructional leaders across the district.

We believe it is absolutely necessary to authentically engage students in rigorous, relevant, and appropriate instruction focused on essential outcomes.

In order to achieve this we, the Grandview School District, are committed to focus on teaching and learning as a top priority. We will work

We are committed to providing the finest teaching possible and have very high standards for teacher performance.

District Improvement Status

The district is in Step II of district improvement as a result of our performance on the required state tests. We are working hard to serve each and every child in the district.
