

RFQ ENERGY SERVICE COMPANIES (ESCOs)

FAQ

1. How many copies of proposal does the District require? **As per the legal advertisement, the bid must include five (5) printed copies and one (1) digital copy.**
2. Does the District have plans to use the Dept. of Enterprise Services Energy Program for Contracting? **Not at this time.**
3. Has the District completed any HVAC assessment/studies in preparation for this RFQ? Would the District be willing to share? **No.**
4. Are resume's counted toward the page limit? **No.** Or can we include them in an appendix and exclude them from the 15 page limit? **Yes**
5. Page Limit: Is it 15 pages single sided and 7.5 pages double sided? Or 15 pages - 30 pages of content if double sided? **15 pages total, single sided=1 page, double sided=2 pages.**
6. Can you clarify if the double-sided page counts or do you require a single-sided page? **The District will accept double-sided pages, however a double-side page counts as two (2) pages in the 15 page limit.**
